COMPANY PROFILE

About Little Cotton

Guangdong Little Cotton Nonwoven Products Co., Ltd. has made cotton and nonwoven products since 2008. Most of our work is OEM and ODM: your specification and your brand, made on our production lines.

Cotton pads, facial towels and compressed towels are made at our Qingyuan base, and cotton pad material is also produced in Vietnam. With our own packaging plant and equipment factory in the group, machines, material, production and packaging stay with one team.

2008
Founded

50+
Production lines

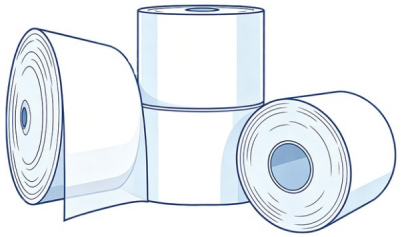

48,000 m²
Manufacturing space, China + Vietnam

Exporting to Japan, Korea, Southeast Asia, the Middle East, Russia, Europe and Australia

OUR GROUP

Three factories, one group

QINGYUAN · VIETNAM

Little Cotton

Guangdong Little Cotton Nonwoven Products Co., Ltd.

Cotton pads, toner pads, facial and compressed towels, wet wipes and disposable hygiene. Cotton material made in China and Vietnam.

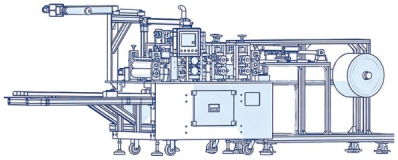

QINGYUAN

Lanture Packaging

Qingyuan Lanture Packaging Materials Co., Ltd.

Printed bags and boxes for your brand, made within the group.

FOSHAN

KNK Automation

knkautomation.com

Cotton pad die-cutting and stacking machines, and napkin folding machines, sold to buyers in Europe and America.

Starting your own cotton pad line?

We can supply the machine, the cotton material and the printed packaging, with one team to talk to.

MANUFACTURING

Inside our factory

50+ lines for cotton pads, towels and disposable products, with cotton carding and packing done in-house.

Cotton pad lines

Cotton carding & material rolls

Facial towel line

Bath towel line

Automatic packing

In-house QC lab

01 **Dust-free workshops**
Central HEPA air filtration and air showers at every workshop entry.

02 **In-house QC & R&D lab**
Tensile strength, absorbency rate and microbiology testing.

03 **No fluorescent agents**
Cotton pads made without fluorescent brighteners or chemical additives, backed by test reports.

04 **Traceable batches**
Every batch traced from raw material to container loading.

05 **EDI pure water**
Wet wipes are made with EDI-purified water.

06 **Group packaging plant**
Printed bags and boxes from our sister company, Lanture Packaging.

QUALITY & COMPLIANCE

WORKING WITH US

From brief to shipment

Most orders are custom OEM, so every quote is built on your specification.

1 **Brief**
Product, spec, packaging, quantity and target market.

2 **Samples**
Stock samples, or custom samples made to your spec.

3 **Quotation**
Material, gsm and packaging set the price.

4 **Production**
Packaging printed in our group; every batch traceable.

5 **QC & shipment**
Lab checks before loading; third-party inspection welcome.

MOQ is set by packaging

Minimums follow the print run of your branded packaging, per design.

Printed paper box	5,000 boxes
Printed zipper bag	20,000 bags
Printed drawstring bag	30,000 bags
Rigid tube or jar	20,000–30,000+
Neutral packaging	Lower MOQ
Custom embossing or shape	+ mold fee

Order product in smaller batches: we keep your printed bags for later orders.

Standard terms

PAYMENT	30% deposit, 70% balance
PRICES	EXW by default; CIF available
SAMPLES	Stock samples free, freight paid by buyer. Custom sample fee refunded on bulk order.
QUALITY	Claims within 30 days of arrival, settled by replacement or make-up shipment.
NDA	Signed on your template
